

What Can You Expect On Your First Sunday Back at Living Water during Covid-19

Services will be Family Worship Style. At least during Phase 2, there will be no nursery or children's church. Families will sit together during worship. Seating has been arranged to accommodate social distancing.

We recommend face masks be worn in consideration of all our attendees. If you do not have one, we can provide one.

Family units will wait to enter the building one unit at a time. Please practice social distancing while you wait to enter. (You won't even have to touch the door!) Your patience waiting your turn is appreciated. This is new to all of us!

Those on the platform will not be wearing face mask while ministering, but will have them on when they come off the platform.

An offering box is placed on the wall in the rear of the sanctuary so no one needs to pass an offering plate. Just place your offering in the box.

Bathroom usage is limited to one person at a time and a bathroom attendant will disinfect before the next person uses the facilities.

We will exit the sanctuary in the same manner we entered!
